4   etc.  
5                   126-255   No other cost base etc. adjustment for beneficiaries  
6                   126-260   Giving information to beneficiaries

7                   **Operative provisions**

8                   **126-220 Object of this Subdivision**

9   The object of this Subdivision is to ensure that CGT considerations  
10   are not an impediment to the restructure of trusts, whilst ensuring  
11   that subsequent changes to the manner and extent to which  
12   beneficiaries can benefit from the trusts are subject to appropriate  
13   tax consequences.

14                   **126-225 When a roll-over may be chosen**

- 15                   (1) A roll-over may be chosen for a \*CGT asset (the *roll-over asset*) if:  
16   (a) the trustee of a trust (the *transferring trust*):  
17   (i) creates a trust (the *receiving trust*), by declaration or  
18   settlement, over one or more CGT assets that include  
19   the roll-over asset; or  
20   (ii) transfers the roll-over asset to an existing trust (the  
21   *receiving trust*);  
22   at a particular time (the *transfer time*); and  
23   (b) if subparagraph (a)(ii) applies—the receiving trust has no  
24   CGT assets, other than small amounts of cash or debt, just  
25   before the transfer time; and  
26   (c) just after the transfer time:  
27   (i) each of the trusts has the same beneficiaries; and  
28   (ii) the receiving trust has the same \*classes of \*membership  
29   interests that the transferring trust had just before, and  
30   has just after, the transfer time; and  
31   (iii) the sum of the \*market values of each beneficiary’s  
32   membership interests of a particular class in both trusts  
33   is substantially the same as the sum of the market  
34   values, just before the transfer time, of the beneficiary’s  
35   membership interests of that class in both trusts; and  
36   (d) the requirement in section 126-230 is met; and

1 (e) the exceptions in section 126-235 do not apply.

2 *Exception if other roll-over assets already transferred*

3 (2) However, paragraph (1)(b) does not apply if:

4 (a) the roll-over asset is transferred to the receiving trust under  
5 an \*arrangement; and

6 (b) the roll-over asset was an asset of the transferring trust just  
7 before the arrangement was made; and

8 (c) at least one other asset of the receiving trust:

9 (i) is an asset for which a roll-over was obtained under this  
10 Subdivision for the trusts; and

11 (ii) is an asset over which the receiving trust was created, or  
12 was transferred by the transferring trust to the receiving  
13 trust under the arrangement; and

14 (d) the transfer time is in the income year for the transferring  
15 trust that includes the earliest transfer time (the *start time*) for  
16 the assets covered by paragraph (c).

17 *Obtaining the roll-over*

18 (3) The roll-over only happens if both the trustee of the transferring  
19 trust and the trustee of the receiving trust choose to obtain it.

20 **126-230 Beneficiaries' entitlements not be discretionary etc.**

21 (1) The conditions in subsections (2) and (3) must be met:

22 (a) if subsection 126-225(2) applies—at all times during the  
23 period:

24 (i) starting at the start time; and

25 (ii) ending at the transfer time; and

26 (b) otherwise—at the transfer time.

27 *CGT event E4 is capable of happening*

28 (2) The first condition is met at a particular time if, at that time, \*CGT  
29 event E4 is capable of happening to all of the \*membership  
30 interests in each of the trusts.

31 Note: A roll-over cannot be chosen if either trust is a discretionary trust.

1 *Beneficiaries' entitlements not discretionary*

- 2 (3) The second condition is met at a particular time if, at that time, the  
3 manner or extent to which each beneficiary of each trust can  
4 benefit from the trust is not capable of being significantly affected  
5 by the exercise, or non-exercise, of a power.
- 6 (4) However, if both trusts are \*managed investment trusts, disregard a  
7 power if the power's existence at that time does not significantly  
8 affect the \*market value at that time of each \*membership interest  
9 in each of the trusts.

10 **126-235 Exceptions for roll-over**

11 *Foreign trusts*

- 12 (1) An exception applies for a \*CGT asset if:  
13 (a) the receiving trust is a \*foreign trust for CGT purposes for the  
14 income year that includes the transfer time; and  
15 (b) the roll-over asset is not \*taxable Australian property just  
16 after the transfer time.

17 *Corporate unit trusts and public trading trusts*

- 18 (2) Another exception applies if either trust is a trust to which  
19 section 102K or 102S of the *Income Tax Assessment Act 1936*  
20 applies for the income year that includes the transfer time.

21 *Choices*

- 22 (3) Another exception applies if, just after the transfer time:  
23 (a) a choice (however described) under a provision of a \*taxation  
24 law is in force for either of the trusts in relation to particular  
25 circumstances; and  
26 (b) the same choice (however described) under that provision for  
27 the other trust in relation to those circumstances (a *mirror*  
28 *choice*) is not also in force; and  
29 (c) the absence of a mirror choice would or could have an  
30 ongoing effect on the calculation of an entity's \*net income,  
31 or taxable income, for:  
32 (i) the entity's income year that includes the transfer time;  
33 or

- 1 (ii) a later income year.
- 2 (4) However, the exception in subsection (3) does not apply if:
- 3 (a) the other trust makes a mirror choice before the first time
- 4 after the transfer time when the absence of the mirror choice
- 5 would affect the calculation of an entity's \*net income, or
- 6 taxable income, for an income year; or
- 7 (b) it would not be reasonable for subsection (3) to apply.
- 8 Note: For paragraph (a), the other trust must still be able, under the relevant
- 9 provision of the taxation law, to make the mirror choice.
- 10 (5) If, just after the transfer time:
- 11 (a) a choice (however described) referred to in paragraph (3)(a)
- 12 is in force for either of the trusts (the *first choice*); and
- 13 (b) a provision of a \*taxation law:
- 14 (i) prevents the revocation or variation of that choice; or
- 15 (ii) sets out a consequence for an entity if that choice is
- 16 revoked or varied;
- 17 that provision is taken to apply for a mirror choice, in force for the
- 18 other trust at or after that time, in a way corresponding to the way
- 19 in which it applies for the first choice.
- 20 Note: For example, if the provision sets out consequences that flow from the
- 21 revocation of the first choice, then those consequences will also flow
- 22 if the mirror choice is revoked.

## 23 **126-240 Consequences for the trusts**

### 24 *Disregard any capital gain or loss*

- 25 (1) If the roll-over is chosen, disregard any \*capital gain or \*capital
- 26 loss the trustee of the transferring trust makes from:
- 27 (a) creating the receiving trust over the roll-over asset; or
- 28 (b) transferring the roll-over asset to the receiving trust;
- 29 at the transfer time.

### 30 *Adjust roll-over asset's cost base and reduced cost base*

- 31 (2) If the roll-over is chosen:
- 32 (a) the first element of the roll-over asset's \*cost base, in the
- 33 hands of the receiving trust, is its cost base just before the
- 34 transfer time; and

1 (b) the first element of the roll-over asset's \*reduced cost base is  
2 worked out similarly.

3 *Any pre-transfer losses of receiving trust cannot be utilised*

4 (3) If the roll-over is chosen:

5 (a) any \*net capital loss of the receiving trust for an income year  
6 ending before the transfer time cannot be applied after the  
7 transfer time to reduce an amount of that trust's \*capital  
8 gains; and

9 (b) the sum of the receiving trust's \*capital losses for the income  
10 year that includes the transfer time (the *transfer year*) is  
11 reduced by an amount equal to any net capital loss that the  
12 trust would have had for that year had that year ended just  
13 before the transfer time; and

14 (c) any \*tax loss of the receiving trust for an income year ending  
15 before the transfer time cannot be deducted after the transfer  
16 time from an amount of that trust's assessable income or \*net  
17 exempt income; and

18 (d) the sum of the receiving trust's deductions for the transfer  
19 year is reduced by an amount equal to any tax loss that the  
20 trust would have had for that year had that year ended just  
21 before the transfer time.

22 References in this subsection to the transfer time are to be read as  
23 references to the start time if subsection 126-225(2) applies.

24 Note: Subsection 126-225(2) applies if the roll-over asset is transferred to  
25 the receiving trust after an earlier roll-over under this Subdivision, for  
26 another asset, was obtained for the trusts.

27 *Pre-CGT assets*

28 (4) If:

29 (a) the roll-over is chosen; and

30 (b) the transferring trust last \*acquired the roll-over asset before  
31 20 September 1985;

32 the receiving trust is taken to have acquired it before that day.

33 **126-245 Consequences for beneficiaries—general approach for**  
34 **working out cost base etc.**

35 (1) If the roll-over is chosen, each of the following:

---

**Schedule 1** Abolishing trust cloning and providing a CGT roll-over for certain trusts  
**Part 2** Roll-over for certain trusts

---

- 1 (a) the \*cost base and \*reduced cost base of each of a  
2 beneficiary's \*membership interests in each trust;  
3 (b) the time each of the beneficiary's membership interests in the  
4 receiving trust is treated as having been \*acquired;  
5 is adjusted under this section for the transfer time unless the  
6 beneficiary has chosen for them to be adjusted under  
7 section 126-250.

8 Note: The beneficiary can choose for these things to be adjusted once for  
9 several consecutive transfer times (for multiple roll-over assets) if the  
10 beneficiary owned the interests at all of those times (see  
11 section 126-250).

12 *First element of cost base of interests in transferring trust*

- 13 (2) The first element of the \*cost base, just after the transfer time, of  
14 each of the beneficiary's \*membership interests in the transferring  
15 trust is an amount equal to such proportion of the interest's cost  
16 base just before the transfer time as is reasonable having regard to:  
17 (a) the \*market value of the interest just after the transfer time, or  
18 a reasonable approximation of that market value; and  
19 (b) the market value of the interest just before the transfer time,  
20 or a reasonable approximation of that market value.

21 *First element of cost base of interests in receiving trust*

- 22 (3) The first element of the \*cost base, just after the transfer time, of  
23 each of the beneficiary's \*membership interests in the receiving  
24 trust is such amount so that the sum of:  
25 (a) the cost base, just before the transfer time, of that  
26 membership interest in the receiving trust; and  
27 (b) if, just after the transfer time, that interest in the receiving  
28 trust corresponds to at least one of the beneficiary's  
29 membership interests in the transferring trust—the cost base,  
30 just before the transfer time, of each of those corresponding  
31 membership interests in the transferring trust; and  
32 (c) if, just after the transfer time, that interest in the receiving  
33 trust corresponds to a proportion of one of the beneficiary's  
34 membership interests in the transferring trust—that  
35 proportion of the cost base, just before the transfer time, of  
36 that corresponding membership interest in the transferring  
37 trust;  
38 reasonably approximates:
-

- 1 (d) if paragraph (b) applies—the sum of the cost bases, just after  
2 the transfer time, of each of the interests referred to in  
3 paragraphs (a) and (b); and  
4 (e) if paragraph (c) applies—the sum of:  
5 (i) the cost base, just after the transfer time, of the interest  
6 referred to in paragraph (a); and  
7 (ii) the proportion of the cost base, just after the transfer  
8 time, of the interest referred to in paragraph (c).

9 *First element of reduced cost base of interests in each trust*

- 10 (4) The first element of the \*reduced cost base, just after the transfer  
11 time, of each of the beneficiary's \*membership interests in each  
12 trust is worked out similarly.

13 *Time of acquisition for interests in the receiving trust*

- 14 (5) Each of the beneficiary's \*membership interests in the receiving  
15 trust is treated as having been \*acquired just after the transfer time.

16 *Time of acquisition for pre-CGT interests in the receiving trust*

- 17 (6) However, if one or more of the beneficiary's \*membership interests  
18 in the transferring trust were \*pre-CGT assets just before the  
19 transfer time, the beneficiary is treated as having \*acquired before  
20 20 September 1985 its interests in the receiving trust that  
21 correspond to those interests in the transferring trust.

22 **126-250 Consequences for beneficiaries—other approach for**  
23 **working out cost base etc.**

- 24 (1) This section applies if the beneficiary owns one or more  
25 \*membership interests in the transferring trust at all times during  
26 the period:  
27 (a) starting just before this time (the *starting time*):  
28 (i) the transfer time; or  
29 (ii) the transfer time for an asset referred to in paragraph  
30 126-225(2)(c) (assuming subsection 126-225(2)  
31 applies); and  
32 (b) ending just after this time (the *ending time*):

**Schedule 1** Abolishing trust cloning and providing a CGT roll-over for certain trusts  
**Part 2** Roll-over for certain trusts

---

- 1 (i) the transfer time (assuming this is not also the starting  
2 time); or  
3 (ii) a later time in the transfer year that is the transfer time  
4 for another asset for which a roll-over is obtained under  
5 this Subdivision for the trusts.
- 6 Note: Subsection 126-225(2) applies if the roll-over asset is transferred to  
7 the receiving trust after an earlier roll-over under this Subdivision, for  
8 another asset, was obtained for the trusts.
- 9 (2) The beneficiary may choose for each of the following:  
10 (a) the \*cost base and \*reduced cost base of each of those  
11 \*membership interests and of the beneficiary's corresponding  
12 membership interests in the receiving trust;  
13 (b) the time each of those corresponding interests in the  
14 receiving trust is treated as having been \*acquired;  
15 to be adjusted under subsection (3) for the period.
- 16 (3) For each of the interests referred to in subsection (2), subsections  
17 126-245(2), (3), (4), (5) and (6) apply as if:  
18 (a) references in those subsections to just before the transfer time  
19 were references to just before the starting time; and  
20 (b) references in those subsections to just after the transfer time  
21 were references to just after the ending time.

22 **126-255 No other cost base etc. adjustment for beneficiaries**

- 23 If a beneficiary of the trusts makes adjustments under  
24 section 126-245 or 126-250 to the \*cost base and \*reduced cost  
25 base of the beneficiary's \*membership interests in relation to the  
26 \*CGT event that is:  
27 (a) the creation of the receiving trust over the roll-over asset; or  
28 (b) the transfer of the roll-over asset to the receiving trust;  
29 no other adjustment is to be made under this Act to those cost  
30 bases and reduced cost bases because of something that happens in  
31 relation to that event.
- 32 Note: This section prevents the general value shifting regime from applying  
33 in relation to the event because sections 126-245 and 126-250 deal  
34 with any value shift that might occur.

1 **126-260 Giving information to beneficiaries**

2 *Beneficiaries must be given particulars of the roll-over*

- 3 (1) If the roll-over is chosen, the trustee of the transferring trust must,  
4 within 3 months after the end of the transfer year, send written  
5 notice of the particulars set out in subsection (2) to each of the  
6 trust's beneficiaries:  
7 (a) by post to the address most recently notified by the  
8 beneficiary as the beneficiary's address; or  
9 (b) by any other means notified by the beneficiary for receiving  
10 correspondence from the trust.

11 Note: The trustee may also notify beneficiaries of other details of the  
12 roll-over.

13 *The particulars that must be given*

- 14 (2) The particulars are as follows:  
15 (a) the roll-over asset's transfer time;  
16 (b) sufficient information to enable a beneficiary to work out  
17 which of the beneficiary's \*membership interests in the  
18 receiving trust correspond to each of the beneficiary's  
19 membership interests in the transferring trust;  
20 (c) the \*market value of each of the membership interests held by  
21 the beneficiary in the transferring trust just after the roll-over  
22 asset's transfer time, or a reasonable approximation of that  
23 market value;  
24 (d) the market value of each of the membership interests held by  
25 the beneficiary in the transferring trust just before the  
26 roll-over asset's transfer time, or a reasonable approximation  
27 of that market value.

28 *Offence*

- 29 (3) A trustee commits an offence if the trustee contravenes  
30 subsection (1).

31 Penalty: 30 penalty units.

- 32 (4) An offence against subsection (3) is an offence of strict liability.

33 Note: For strict liability, see section 6.1 of the *Criminal Code*.

1 *If the transferring trust has multiple trustees*

2 (5) If the transferring trust has 2 or more trustees, the obligation  
3 imposed by subsection (1) is imposed on each of the trustees, but  
4 may be discharged by any of the trustees.

5 Note: Each of the trustees commits an offence against subsection (3) if none  
6 of them discharges the obligation imposed by subsection (1).

7 (6) In a prosecution of a trustee for an offence against subsection (3)  
8 for an act or omission contravening subsection (1), it is a defence if  
9 the trustee proves that the trustee:

10 (a) did not aid, abet, counsel or procure the act or omission; and

11 (b) was not in any way knowingly concerned in, or party to, the  
12 act or omission (whether directly or indirectly and whether  
13 by any act or omission of the trustee).

14 Note: A defendant bears a legal burden in relation to the matters in  
15 subsection (6): see section 13.4 of the *Criminal Code*.

16 *Obligations of beneficiary unaffected if not notified of roll-over*

17 (7) A failure by a trustee to comply with subsection (1) does not affect  
18 the application of section 126-245 to the beneficiary.

19 **10 Subsection 995-1(1) (definition of *class*) (second**  
20 **occurring)**

21 After “company”, insert “or trust”.

22 **11 Application provision**

23 The amendments made by items 4 to 9 apply to CGT events happening  
24 on or after 1 November 2008.

25 **12 Transitional: time for making mirror choices**

26 (1) Subsection 126-235(3) of the *Income Tax Assessment Act 1997* does not  
27 apply if the other trust makes a mirror choice under a provision of a  
28 taxation law by:

29 (a) 6 months after the day this Act receives the Royal Assent; or

30 (b) a later day allowed by the Commissioner of Taxation.

31 Note: For this item to have effect, the other trust must still be able, under that provision of the  
32 taxation law, to make the mirror choice.

- 1 (2) This item has effect in addition to subsection 126-235(4) of the *Income*  
2 *Tax Assessment Act 1997*.

3 **13 Transitional: deadline for giving information to**  
4 **beneficiaries**

- 5 (1) This item applies in relation to a roll-over chosen under  
6 Subdivision 126-G of the *Income Tax Assessment Act 1997* if the  
7 transfer year for the roll-over is the transferring trust's 2008-09 income  
8 year.
- 9 (2) Subsection 126-260(1) of that Act has effect, in relation to the roll-over,  
10 as if the reference in that subsection to 3 months after the end of the  
11 transfer year were a reference to 6 months after the day this Act  
12 receives the Royal Assent.

2 ***A New Tax System (Goods and Services Tax) Act 1999***

3 **14 Subsection 184-1(2) (note)**

4 Omit “Note”, substitute “Note 1”.

5 **15 At the end of subsection 184-1(2)**

6 Add:

7 Note 2: The entity that is the trustee of a trust or fund does not change merely  
8 because of a change in the person who is the trustee of the trust or  
9 fund, or persons who are the trustees of the trust or fund.

10 ***Income Tax Assessment Act 1997***

11 **16 Subsection 104-10(2)**

12 Repeal the subsection, substitute:

13 (2) You *dispose of* a \*CGT asset if a change of ownership occurs from  
14 you to another entity, whether because of some act or event or by  
15 operation of law. However, a change of ownership does not occur  
16 if you stop being the legal owner of the asset but continue to be its  
17 beneficial owner.

18 Note: A change in the trustee of a trust does not constitute a change in the  
19 entity that is the trustee of the trust (see subsection 960-100(2)). This  
20 means that CGT event A1 will not happen merely because of a change  
21 in the trustee.

22 **17 At the end of subsection 104-55(1)**

23 Add:

24 Note: A change in the trustee of a trust does not constitute a change in the  
25 entity that is the trustee of the trust (see subsection 960-100(2)). This  
26 means that CGT event E1 will not happen merely because of a change  
27 in the trustee.

28 **18 At the end of subsection 104-60(1)**

29 Add:

30 Note: A change in the trustee of a trust does not constitute a change in the  
31 entity that is the trustee of the trust (see subsection 960-100(2)). This  
32 means that CGT event E2 will not happen merely because of a change  
33 in the trustee.

1 **19 Subsection 960-100(2) (note)**

2 Omit “Note”, substitute “Note 1”.

3 **20 At the end of subsection 960-100(2)**

4 Add:

5 Note 2: The entity that is the trustee of a trust or fund does not change merely  
6 because of a change in the person who is the trustee of the trust or  
7 fund, or persons who are the trustees of the trust or fund.

17 **Guide to Division 310**

18 **310-1 What this Division is about**

19 This Division sets out special rules for certain merging  
20 superannuation funds. These rules relate to the transfer of losses,  
21 the treatment of CGT events related to the merger and the  
22 treatment of assets related to the merger.

23 Note 1: This Division applies only to mergers happening between  
24 24 December 2008 and 30 June 2011 (see Part 3 of Schedule 2 to the  
25 *Tax Laws Amendment (2009 Measures No. 6) Act 2009*).

26 Note 2: This Division and associated provisions will be repealed on 1 July  
27 2013 (see Parts 4 and 5 of that Schedule).

1 **Operative provisions**

2 **Subdivision 310-A—Object of this Division**

3 **310-5 Object**

4 The main object of this Division is to facilitate the consolidation of  
5 the superannuation industry by allowing certain merging  
6 \*superannuation funds to retain the value, for income tax purposes,  
7 of certain losses that might otherwise cease to be able to be utilised  
8 as a result of the merger.

13 **Subdivision 310-C—Consequences of choosing to transfer**  
14 **losses**

15 **Table of sections**

16	310-25	Who losses can be transferred to
17	310-30	Losses that can be transferred
18	310-35	Effect of transferring a net capital loss
19	310-40	Effect of transferring a tax loss

20 **310-25 Who losses can be transferred to**

21 An entity choosing under Subdivision 310-B to transfer losses can  
22 choose to transfer any or all of the transferring entity's losses set  
23 out in section 310-30, in whole or in part, to one or more of the  
24 following entities (a *receiving entity*):

- 25 (a) a continuing fund for the choice;  
26 (b) a \*pooled superannuation trust in which units are held by a  
27 continuing fund for the choice just after the completion time;  
28 (c) a \*life insurance company with which a \*complying  
29 superannuation/FHSA life insurance policy is held by a  
30 continuing fund for the choice just after the completion time.

31 **310-30 Losses that can be transferred**

- 32 (1) The transferring entity's losses that can be transferred are:

- 1 (a) any of its \*net capital losses for income years earlier than the  
2 income year for the transferring entity that includes the  
3 completion time (the *transfer year*), to the extent that it was  
4 not \*utilised before the completion time (an *earlier year net*  
5 *capital loss*); and  
6 (b) any net capital loss it would have made for the transfer year  
7 were the transfer year to have ended at the completion time (a  
8 *transfer year net capital loss*); and  
9 (c) any of its \*tax losses for income years earlier than the transfer  
10 year, to the extent that it was not utilised before the  
11 completion time (an *earlier year tax loss*); and  
12 (d) any tax loss it would have incurred for the transfer year were  
13 the transfer year to have ended at the completion time (a  
14 *transfer year tax loss*);  
15 worked out subject to the modifications set out in this section.

16 Note: If the entity choosing to transfer losses also chooses an asset roll-over  
17 under Subdivision 310-D for the same arrangement, none of the  
18 transfer events for the roll-over will contribute towards a loss  
19 transferred under this Subdivision (see subsections 310-55(1),  
20 310-60(3), 310-65(1) and 310-70(1)).

- 21 (2) For a choice under section 310-15 (life insurance companies), work  
22 out those losses by only considering the following to the extent that  
23 they relate to assets reasonably attributable to a \*complying  
24 superannuation/FHSA life insurance policy issued by the  
25 transferring entity and held by the original fund:  
26 (a) \*capital gains from \*complying superannuation/FHSA assets;  
27 (b) \*capital losses from complying superannuation/FHSA assets;  
28 (c) assessable income covered by subsection 320-137(2) (about  
29 complying superannuation/FHSA assets);  
30 (d) deductions covered by subsection 320-137(4) (about  
31 complying superannuation/FHSA assets).  
32 (3) For a choice under section 310-20 (pooled superannuation trusts),  
33 work out those losses by only considering \*capital gains, \*capital  
34 losses, assessable income and deductions to the extent that they  
35 relate to assets reasonably attributable to units in the transferring  
36 entity held by the original fund.

**310-35 Effect of transferring a net capital loss**

- 1
- 2 (1) To the extent that an earlier year net capital loss is transferred to a  
3 receiving entity:
- 4 (a) the transferring entity is taken not to have made the loss for  
5 that earlier income year; and
- 6 (b) an amount equal to the transferred amount is taken to be:
- 7 (i) if the receiving entity is a \*life insurance company—a  
8 \*capital loss from \*complying superannuation/FHSA  
9 assets made by the receiving entity for that earlier year;  
10 and
- 11 (ii) otherwise—a capital loss made by the receiving entity  
12 for that earlier year.
- 13 (2) To the extent that a transfer year net capital loss is transferred to a  
14 receiving entity:
- 15 (a) if the transferring entity is a \*life insurance company—the  
16 sum of the transferring entity’s \*capital losses from  
17 \*complying superannuation/FHSA assets for the transfer year  
18 is reduced by an amount equal to the transferred amount; and
- 19 (b) if the transferring entity is not a life insurance company—the  
20 sum of the transferring entity’s capital losses for the transfer  
21 year is reduced by an amount equal to the transferred  
22 amount; and
- 23 (c) if the receiving entity is a life insurance company—an  
24 amount equal to the transferred amount is taken to be a  
25 capital loss from complying superannuation/FHSA assets  
26 made by the receiving entity for the transfer year; and
- 27 (d) if the receiving entity is not a life insurance company—an  
28 amount equal to the transferred amount is taken to be a  
29 capital loss made by the receiving entity for the transfer year.

**310-40 Effect of transferring a tax loss**

- 30
- 31 (1) To the extent that an earlier year tax loss is transferred to a  
32 receiving entity:
- 33 (a) the transferring entity is taken not to have incurred the loss  
34 for that earlier income year; and
- 35 (b) an amount equal to the transferred amount is taken to be:

- 1 (i) if the receiving entity is a \*life insurance company—a  
2 \*tax loss of the \*complying superannuation/FHSA class  
3 incurred by the receiving entity for that earlier year; and  
4 (ii) otherwise—a tax loss incurred by the receiving entity  
5 for that earlier year.
- 6 (2) To the extent that a transfer year tax loss is transferred to a  
7 receiving entity:
- 8 (a) if the transferring entity is a \*life insurance company—the  
9 sum of the transferring entity’s deductions covered by  
10 subsection 320-137(4) (about complying  
11 superannuation/FHSA assets) for the transfer year is reduced  
12 by an amount equal to the transferred amount; and  
13 (b) if the transferring entity is not a life insurance company—the  
14 sum of the transferring entity’s deductions for the transfer

16 amount; and  
17 (c) if the receiving entity is a life insurance company—an  
18 amount equal to the transferred amount is taken to be a \*tax  
19 loss of the \*complying superannuation/FHSA class incurred  
20 by the receiving entity for the transfer year; and

25 **Table of sections**

26 310-45 Choosing the assets roll-over  
27 310-50 Choosing the form of the assets roll-over

28 **310-45 Choosing the assets roll-over**

- 29 (1) An entity can choose a roll-over under this Subdivision if:
- 30 (a) the entity makes or could make a choice under  
31 Subdivision 310-B (the *losses choice*) to transfer the losses of  
32 an entity (the *transferring entity*); and  
33 (b) the conditions in this section are satisfied for the  
34 \*arrangement to which the losses choice relates.

**Schedule 2** Loss relief for merging superannuation funds  
**Part 1** Main amendment

---

- 1 (2) The first condition is that, under the \*arrangement, one or more  
2 \*CGT events (the *transfer events*) happen in relation to the  
3 following assets (the *original assets*) of the transferring entity with  
4 the result that it ceases to own those assets:
- 5 (a) for a losses choice under section 310-10 (original funds)—all  
6 of its \*CGT assets;
- 7 (b) for a losses choice under section 310-15 (life insurance  
8 companies)—all of its CGT assets reasonably attributable to  
9 the \*complying superannuation/FHSA life insurance policy  
10 held by the original fund for the losses choice just before the  
11 arrangement was made;
- 12 (c) for a losses choice under section 310-20 (pooled  
13 superannuation trusts)—all of its CGT assets reasonably  
14 attributable to the units in that entity held by the original fund  
15 for the losses choice just before the arrangement was made.
- 16 (3) The second condition is that the transfer events all happen in the  
17 income year (the *transfer year*) for the transferring entity that  
18 includes the completion time for the losses choice.
- 19 (4) The third condition is that, for each transfer event, an asset (the  
20 *received asset*) becomes an asset of one of the following (the  
21 *receiving entity*) as a result of the event:
- 22 (a) a continuing fund for the losses choice;
- 23 (b) a \*pooled superannuation trust in which units are held by a  
24 continuing fund for the losses choice just after the completion  
25 time;
- 26 (c) a \*life insurance company with which a \*complying  
27 superannuation/FHSA life insurance policy is held by a  
28 continuing fund for the losses choice just after the completion  
29 time.
- 30 (5) For the purposes of subsection (2), ignore any \*CGT assets retained  
31 by the transferring entity:
- 32 (a) to pay its existing or expected debts relating to the  
33 \*arrangement; or
- 34 (b) to meet its liabilities relating to individuals who have  
35 remained members (within the meaning of the  
36 *Superannuation Industry (Supervision) Act 1993*) of the  
37 original fund because of circumstances beyond the control of  
38 the trustee of that fund.
-

1 **310-50 Choosing the form of the assets roll-over**

- 2 (1) For those of the original assets that are not \*revenue assets, the  
3 form of the roll-over is worked out as follows:

4 *Method statement*

5 Step 1. For the transfer events relating to those original assets:

6 (a) add up any \*capital losses of the transferring entity  
7 for the events; and

8 (b) subtract any \*capital gains of the transferring entity  
9 for the events.

10 Step 2. If the result of step 1 is more than zero, the entity  
11 choosing the roll-over can choose either section 310-55  
12 (global asset approach) or 310-60 (individual asset  
13 approach) to apply to those assets and the corresponding  
14 received assets.

15 Step 3. Otherwise, section 310-60 (individual asset approach)  
16 applies to those original assets and the corresponding  
17 received assets.

- 18 (2) For those of the original assets that are \*revenue assets, the form of  
19 the roll-over is worked out as follows:

20 *Method statement*

21 Step 1. For the transfer events relating to those original assets:

22 (a) add up any amounts the transferring entity would  
23 be able to deduct as a result of the events; and

24 (b) subtract any amounts that would be included in the  
25 transferring entity's assessable income as a result  
26 of the events.

27 Step 2. If the result of step 1 is more than zero, the entity  
28 choosing the roll-over can choose either section 310-65  
29 (global asset approach) or 310-70 (individual asset

1 approach) to apply to those assets and the corresponding  
2 received assets.  
3 Step 3. Otherwise, section 310-70 (individual asset approach)  
4 applies to those original assets and the corresponding  
5 received assets.

#### 14 *Consequences for transferring entity*

- 15 (1) For each of the original assets to which this section applies, the  
16 transferring entity's \*capital proceeds from the relevant transfer  
17 event are taken to be an amount equal to:
- 18 (a) if, apart from this subsection, the event would result in a  
19 \*capital gain—the asset's \*cost base just before the event; or
  - 20 (b) if, apart from this subsection, the event would result in a  
21 \*capital loss—the asset's \*reduced cost base just before the  
22 event.

23 Note: This section only applies if it is chosen to apply under subsection  
24 310-50(1).

#### 25 *Consequences for receiving entity*

- 26 (2) For each of the received assets to which this section applies, the  
27 first element of the \*cost base of the asset (in the hands of the  
28 receiving entity) is taken to be an amount equal to the cost base of  
29 the corresponding original asset just before the relevant transfer  
30 event.
- 31 (3) For each of the received assets to which this section applies, the  
32 first element of the \*reduced cost base of the asset (in the hands of

1 the receiving entity) is taken to be an amount equal to the reduced  
2 cost base of the corresponding original asset just before the  
3 relevant transfer event.

4 **310-60 CGT assets—individual asset approach**

5 *Consequences for transferring entity*

6 (1) The transferring entity may disregard any \*capital loss for a  
7 transfer event relating to an original asset to which this section  
8 applies.

9 Note: This section does not apply if section 310-55 (global asset approach)  
10 is chosen to apply under subsection 310-50(1).

11 (2) Subsections (3), (4) and (5) apply if under subsection (1) the  
12 transferring entity disregards a \*capital loss for a transfer event  
13 relating to an original asset.

14 (3) The transferring entity's \*capital proceeds from the transfer event  
15 are taken to be an amount equal to the \*reduced cost base of the  
16 original asset just before the event.

17 *Consequences for receiving entity*

18 (4) The first element of the \*cost base of the corresponding received  
19 asset (in the hands of the receiving entity) is taken to be an amount  
20 equal to the cost base of the original asset just before the event.

21 (5) The first element of the \*reduced cost base of the corresponding  
22 received asset (in the hands of the receiving entity) is taken to be  
23 an amount equal to the reduced cost base of the original asset just  
24 before the event.

25 **310-65 Revenue assets—if global asset approach chosen**

26 *Consequences for transferring entity*

27 (1) For each of the original assets to which this section applies, the  
28 transferring entity's gross proceeds for the relevant transfer event  
29 are taken to be the amount (the *deemed proceeds*) the transferring  
30 entity would need to have received in order to have a nil profit and  
31 nil loss for the event.

**Schedule 2** Loss relief for merging superannuation funds

**Part 1** Main amendment

---

1 Note: This section only applies if it is chosen to apply under subsection  
2 310-50(2).

3 *Consequences for receiving entity*

4 (2) For each of the received assets to which this section applies, the  
5 receiving entity is taken, for the purposes of this Act, to have paid  
6 an amount for that asset at the time of the transfer event that is  
7 equal to the deemed proceeds for the corresponding original asset.

8 **310-70 Revenue assets—individual asset approach**

9 *Consequences for transferring entity*

10 (1) If the transferring entity incurs a \*tax loss for a transfer event  
11 relating to an original asset to which this section applies, the entity  
12 choosing the roll-over can choose for the transferring entity's gross  
13 proceeds for the event to be taken to be the amount (the *deemed*  
14 *proceeds*) the transferring entity would need to have received in  
15 order to have a nil profit and nil loss for the event.

16 Note: This section does not apply if section 310-65 (global asset approach)  
17 is chosen to apply under subsection 310-50(2).

18 *Consequences for receiving entity*

19 (2) If a choice is made under subsection (1), the receiving entity is  
20 taken to have paid an amount for the corresponding received asset  
21 at the time of the transfer event that is equal to the deemed  
22 proceeds for the event.

23 **310-75 Further consequences for roll-overs involving life insurance**  
24 **companies**

25 (1) Section 320-200 (about consequences of transferring assets to or  
26 from a complying superannuation/FHSA asset pool) does not apply  
27 for a transfer event for the roll-over if either the transferring entity  
28 or the receiving entity is a \*life insurance company.

29 (2) If the receiving entity for the roll-over is a \*life insurance  
30 company, each received asset of that entity is taken:  
31 (a) to be a \*complying superannuation/FHSA asset of that entity;  
32 and  
33 (b) not to be, in whole or in part, a \*life insurance premium.

- 5 (a) any act done or omitted to be done; or  
6 (b) any state of affairs existing; or
